

# Autonomic Response Testing II and III in 2009

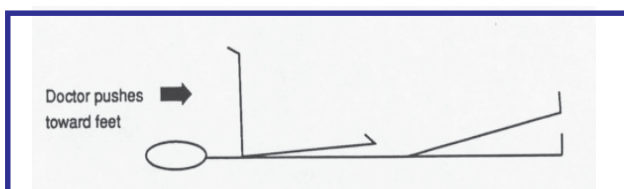

**Autonomic Response Testing (ART)** is different from other forms of muscle testing. It uses the latest findings of quantum and biophotonic physics to aid in the assessment of the body. This allows for a much deeper level of testing not available before to traditional kinesiologists. Tools such as a polarization filter and signal enhancers are used to get stronger, clearer feedback from the body.

**ART often finds things that are missed with traditional kinesiology.** ART practitioners in general also have the ability to test for a wider variety of root causes of illness, including specific infections, toxins, and emotional disturbances. ART is used along with traditional tests to determine the root causes of illness. It is not used to diagnose diseases. ART has been shown to be the most accurate of all kinesiology techniques, with the best reproducibility and inter-examiner reliability.

**In ART II, you will deeply learn Dr. Klinghardt's protocols for Lyme Disease.** He will introduce sound methods to diagnose and treat the intracellular environment. Learn how to use muscle testing to detect chronic viral, fungal, mycoplasmal infections, Lyme disease and other microorganisms. You will also learn treatment protocols for cancer, chronic fatigue, MS, FMS and other chronic diseases. Learn to use ART to select the most appropriate and best tolerated medication – including diagnostic and therapeutic protocols for toxic metals and xenobiotics.

*It is not necessary to have completed ART I to take ART II. Cost: \$650.*

**ART III** will include the application of autonomic response testing (ART) in anti-aging medicine (biological hormonal and metabolic balancing), dentistry and orthopedics. Learn the most accurate diagnostic procedures for the jaw and teeth, and the latest advances in treating Lyme disease. Dr. Klinghardt will also venture into the more mystical areas of healing and teach how to successfully address deep-seated psychological and spiritual problems. **Cost: \$695.**

We are offering **ART II and ART III in 2009**, taught by Dietrich Klinghardt, MD, Ph.D.

ART II: June 19-21, 2009 at the Hyatt Regency, Bellevue, WA with Special room rates.

ART III: Aug. 28-30, 2009 at the Hyatt Regency, Bellevue, WA with Special room rates.

*This is a wonderful way to perfect your ART skills.*

If you sign up for more than one ART class, you will receive a **\$200 discount** off the second class. **SIGN UP ON THE INTERNET: [WWW.KLINGHARDTNEUROBIOLOGY.COM](http://WWW.KLINGHARDTNEUROBIOLOGY.COM), OR BY CALLING KLINGHARDT ACADEMY OF NEUROBIOLOGY AT (303) 499-4700.
