Fundamental Teachings of Dietrich Klinghardt, MD, Ph.D.

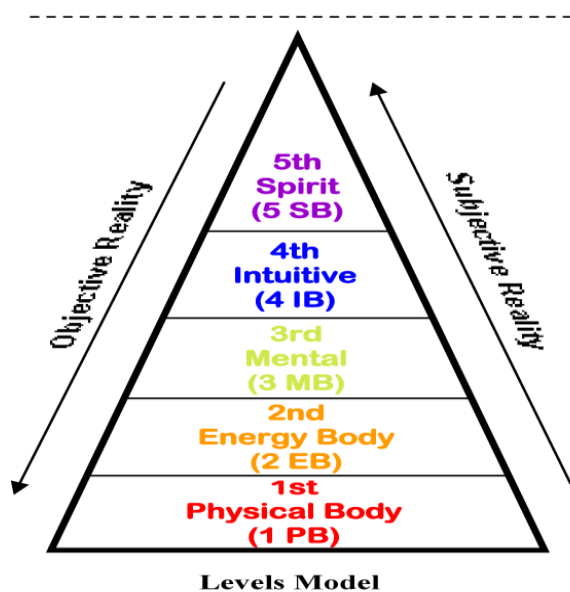

If you are a practitioner working with anyone struggling with a chronic illness, this is the DVD set you have been waiting for.

This DVD set is the gift of Dietrich Klinghardt to the many people who are suffering needlessly from chronic illness. It focuses on the deeper issues of illness. Most importantly, it focuses on the solutions.

“One of the most brilliant and gifted medical pioneers of our times.” Dr. Joseph Mercola

In 2007 Dr. Klinghardt was awarded the prestigious “physician of the year” from the Global Foundation for Integrative Medicine for his work, which is known through his teachings worldwide.

Take a journey through the work of Dietrich Klinghardt, MD, Ph.D. Deeply understand the contributing causes to chronic illness and what to do about them. Explore the problems and the solutions. Travel step-by-step through:

- The Five Levels of Healing,
- Chemical and heavy metal toxicity and its treatment,
- Lyme disease and other chronic illnesses and their treatment,
- Electrosmog
- And more.

Learn about protocols that are tried and true. Learn how to combine biological treatment and energetic treatments with simple, effective mental field treatments. Learn about:

- The Klinghardt Axiom – the interrelationship between infections, toxins and emotional conflicts.
- The important factors in treating chronic illness, i.e. the common bacterial, viral, fungal, and parasitic issues and the most beneficial treatments.
- The four steps in the treatment of chronic illness: decreasing toxic burden/unloading the system, improving disturbed physiology, decreasing microbial count, and immune modulation.
- Lyme disease basics - what is Lyme disease, how do we test for it, how do we treat it and what are common co-infections?
- EMFs, why they are important, their impact on our health and treatment strategies.

For practitioner who want their patients to more deeply understand the cause of their illness so they can make better choices in their healthcare, and for practitioners who want their patients to have more information for their care, this DVD set is for you.

For practitioners who want an introduction into the work of Dr. Klinghardt, for practitioners who want to improve your skills, and for practitioners who have studied with Dr. Klinghardt and want to give your patients this introduction so that it becomes easier to treat your patients, this DVD set is for you.

If you are new to the field of integrative and energy medicine, if you are a practitioner familiar with or new to the methods of Dr. Klinghardt, this DVD set is for you.

There are FIVE DVDs in the set. Each DVD has a theme:

1. The Five Levels of Healing and the Seven Factors
2. Autonomic Response Testing and Demonstration
3. Heavy Metal Toxicity and Neurotoxin Elimination / Electrosmog
4. Lyme and Chronic Illness
5. Psycho-Emotional Issues in Chronic Illness – Addressing Underlying Causes

There is a demonstration of Autonomic Response Testing, a demonstration of Mental Field Therapy (tapping), a demonstration of Family Constellation Therapy, a patient session, and a demonstration of Applied Psycho-Neurobiology
